

Keeping track of the crowd

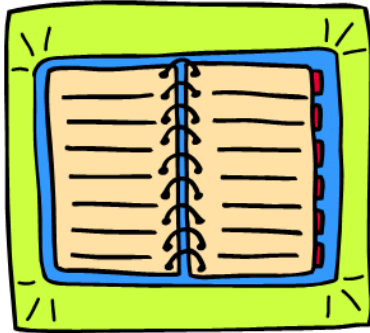

edward perez

Treasurer

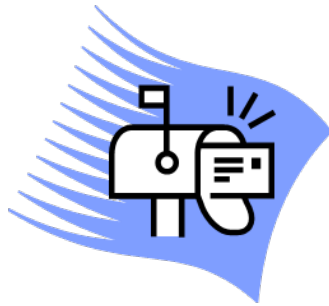

Friendship Force of Dallas

erperez @ acm.org

Why do we need to manage membership information?

To produce club directories –
so people can
communicate w/ others

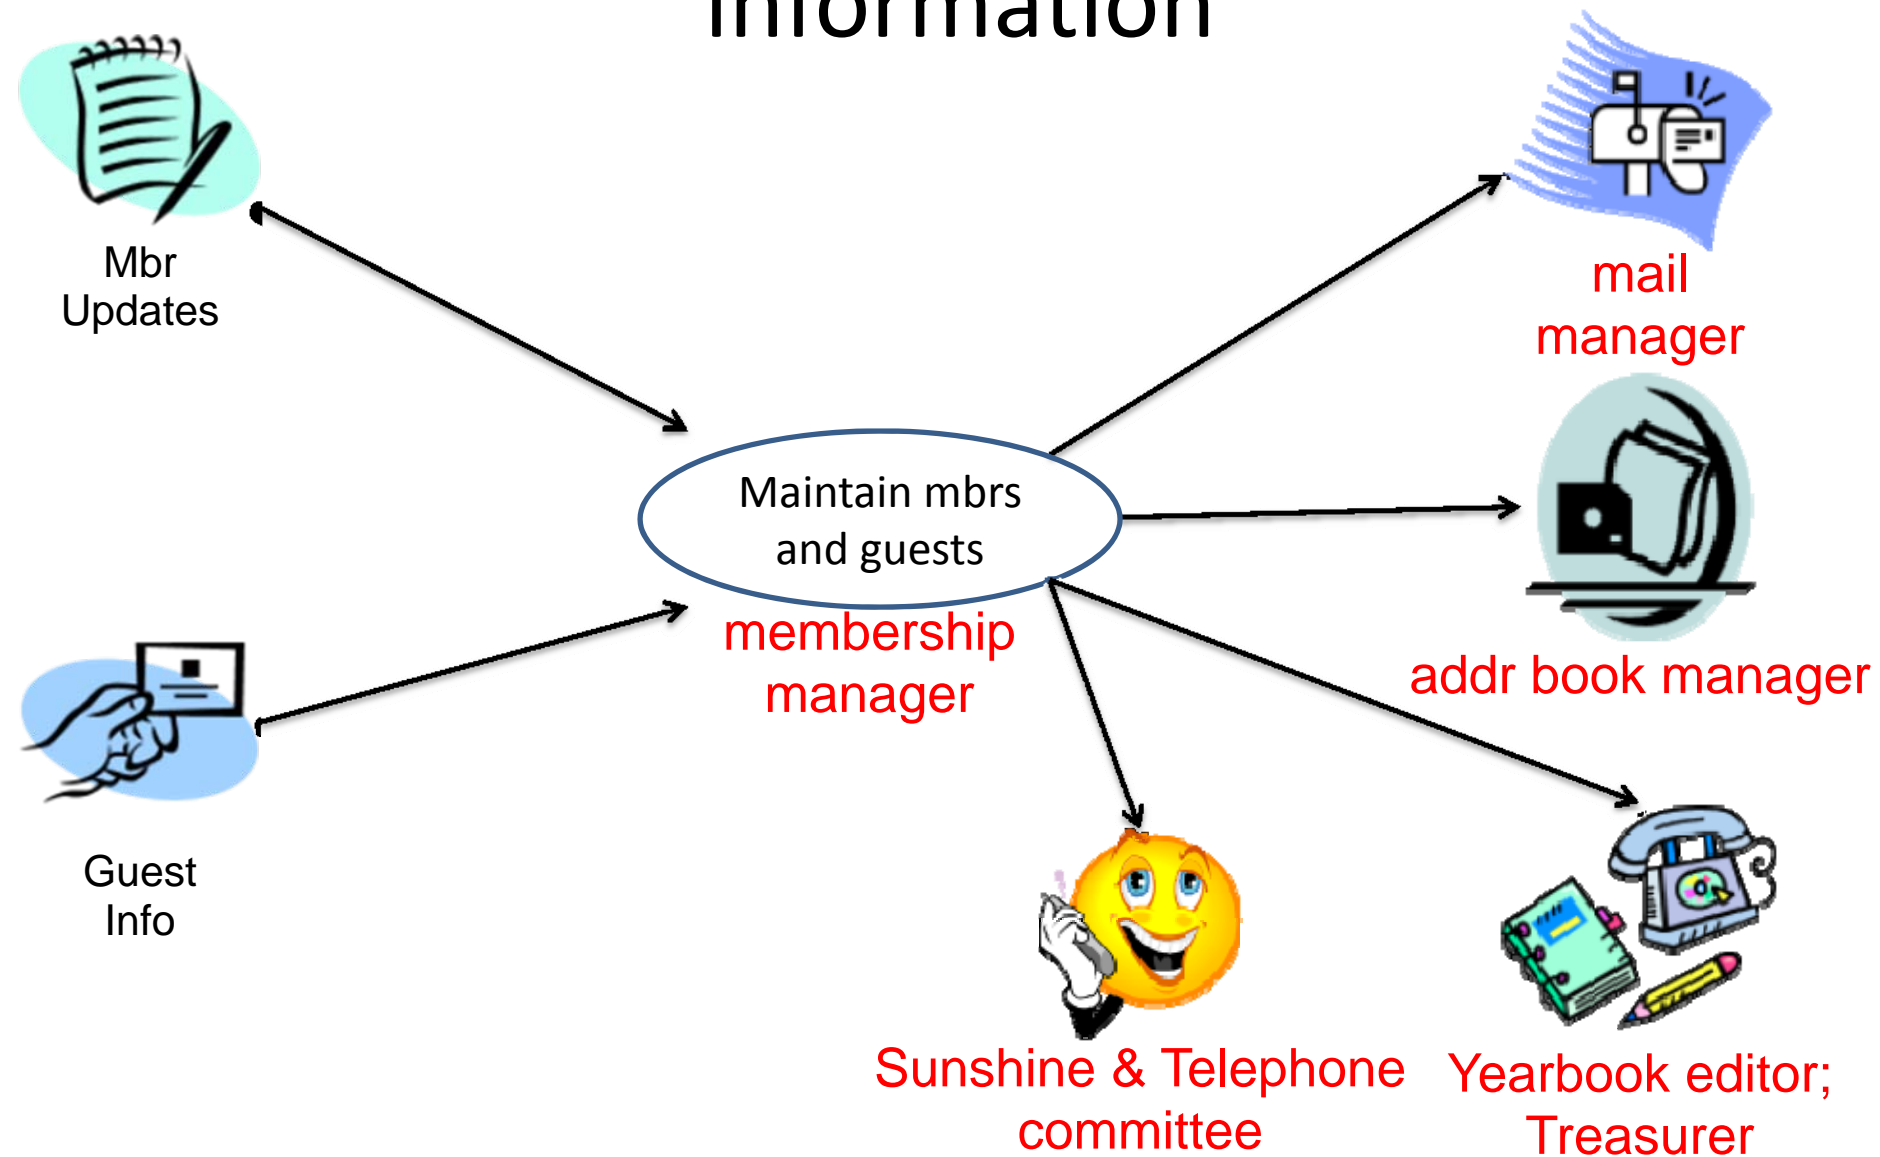

To communicate info/news to
club members & guests –
electronically or via mail

friendship force
INTERNATIONAL

To report to FFI for Club
renewal

One way of managing membership information

So how can we manage membership and guest information?

Brute force –
pen/paper/computer

Computer Applications

Open Office – free

Excel, Word - \$200-500

Custom - \$100-150

The logo for OpenOffice.org, featuring a blue square with a white bird icon above the text "OpenOffice.org" in blue.
